activities

All my work takes place in the peripheral areas of free and visual arts. My autonomous work contains paintings and objects. These deliver the building stones for applied work. On the one hand I design jewellery and on the other I work on assignment for art in public spaces.

solo exhibitions

Gallery Louise Smit, Amsterdam | Gallery Josine Bokhoven, Amsterdam | Dutch Textile Museum, Tilburg | Gallery V und V, Vienna | Gallery Hélène Porée, Paris | Gallery Aurum, Frankfurt | Gallery Annick Zufferey, Geneva | Gallery Hipotesi, Barcelona | Gallery Hnoss, Gothenburg | Gallery Reverso, Lisbon
